

Swim for Myschoolpulse

For the 4th year, Myschoolpulse and the Lebanese International Swimming Academy is organizing a "Swim-a-thon" on April 9, 2016, at the indoor pool of the Holiday Beach. Swim for Myschoolpulse is a fundraising event that will allow sick children to continue their education from their hospital beds. Last year, participants between the ages of 7 and 25 were able to raise over \$11,000. This amount allowed 11 children suffering from life-threatening diseases to continue their studies from their hospital beds while undergoing treatment. Each participating child swims as many pool laps as possible during one hour. Every lap is sponsored by parents, family or friends. The raised funds will go entirely to Myschoolpulse.
